

The Westonian

Weston Family Quarterly Newsletter

September 2006

AUTUMN is finally here!

With the cooler temperatures nipping at our heels, we thought it would be fun to start a quarterly newsletter in which we could share a brief update about what the "Wild Westons" are up to in their neck of the woods.

We really enjoy getting our Christmas letter and website out each year, but it almost seems too overwhelming to catch up over a year's worth of time

in one letter!

Each quarter, we'll fill you in on events from the last few months. That way we can keep in touch year-round!

Feel free to read our newsletter online or print it out and pass it around!

Sincerely,

The Weston Family
Abe, Janine, Natalie, Max, & Madeline

Oh, What Did You Do in the Summer Time?

May kicked off the summer with the birth of our third child, Madeline Grace Weston! We love interacting with her, listening to her cooing, watching her bubble and making her giggle!

June brought Wendi (Abe's sister) and Brian Samuelson together in marriage at the Oakland Mormon Temple. A week later we celebrated Madeline's baby blessing with Abe's local family.

July had a washer/dryer center installed in our condo...finally! Laundry for a family of five is quite a "load" and our new set-up is a dream come true.

August took us camping at Half Moon Bay and up to Sacramento for the new Temple Open House. Natalie began preschool and Max continues to tag along!

Quote Corner

"I don't want to sell anything, buy anything or process anything as a career. I don't want to sell anything bought or processed...or buy anything sold or processed...or process anything sold, bought or processed...or repair anything sold, bought or processed. You know, as a career, I don't want to do that."
