April 2007

SPRING has sprung

Although the cold, rainy days of winter allow for more sleep and movie-watching, spring has brought our family outdoors and into the sunshine!

We've spent our Saturdays hiking the trails of Alameda Creek in Fremont, Point Isabel in Berkeley, Garin Regional Park in Hayward, and Point Pinole in San Pablo. We have a family goal to explore new places in the Bay Area this spring and summer--should be fun!

forward to a week-long visit from Grandma Laurie, Grandpa Dana, and Molly Dog. The kids already have a long list entitled, *Things We Want to Do When Grandma and Grandpa Are Here!*

Mid-April we'll be traveling down to the Central Coast to visit family and take the kids to Cal Poly's annual Open House.

Sincerely,
The Weston Family

Weston Family Members

Madeline, at 10 months, is constantly watching and imitating her older siblings. She can climb, cruise, and play with toys for hours at a time! She loves to babble, eat big people food, and dance when she hears music with a good beat. Her favorite family activity is *helping* to unload the dishwasher.

Max celebrated his third birthday in March with friends and family. On St. Patrick's Day, he feasted on corned-beef and cabbage with Auntie Elena and Lana! Max is now busy catching bugs, reading books, shooting rockets, blowing bubbles, and playing in the sand with his new toys!

Natalie celebrated her fifth birthday in January with a *Princess Tea Party* where she and her girlfriends came in costume and had their hair, makeup, and nails done before wearing their jeweled crowns to the table for tea and cookies! Natalie is quite the artist and spends hours each day drawing, painting, and sculpting!

Abe won third-place in a church-sponsored, family pinewood derby competition with NO RULES! He also received a promotion at work to Software Engineer Manager--way to go, Abe!

Janine is busy as the new assistant-den leader for the church Webelos (10-year-old Cub Scouts) and practicing her Photoshop skills in preparation for the spring re-launching of her photography business.

For Easter, we're looking

News

After 1 year of cramming three carseats into our 1995 Saturn station wagon, we finally made the move to a safer vehicle that fits our family--an 8-passenger 2007 Toyota Sienna! See a photo on our website!
